TOTAL DUE \$ _____

***Retail Location:** A retail outlet is defined as a location where propane is stored, transferred and business is conducted with the public (in person or by the phone) or a combination of the above, excluding public refilling locations.

****Bulk/Satellite Plant:** Defined as any facility where the primary function is to store LP-Gas prior to further distribution, where LP-Gas is received by cargo tank motor vehicle, railroad tank car, or pipeline, and then distributed by portable container (package) delivery, by cargo tank motor vehicle, or through gas piping. A facility distributing gas through gas piping, such as a community gas system, is exempt from the definition of a "bulk Plant" unless the facility is used to transfer product into cargo tank motor vehicles for further discussion.
