

The "Triple Play" program leverages Ohio's campaign finance law that allows individuals to take up to a \$50 tax credit (\$100 on joint returns) for contributions made to the campaigns of state office holders.

All an OPGA member has to do is send a copy of his canceled campaign contribution check and the completed form below to OPGA PAC and OPGA PAC will make a matching contribution to the candidate for state office.

Since the contributor would otherwise be paying the \$50 or \$100 in state taxes, his contribution doesn't cost him a thing...and OPGA PAC will match his contribution making it worth \$100 or \$200 to the candidate for state office.

Eligible candidates for state office include the office of governor, lieutenant governor, secretary of state, auditor, treasurer, attorney general, chief justice and justice of the Ohio Supreme Court, the state board of election and all state representatives and senators.

Send your favorite candidate a campaign contribution today! Then send the canceled check and form to the OPGA PAC office and we'll send that candidate a matching check **with a letter telling him/her that you're responsible for it and offering you as a resource for propane/energy information during the upcoming Ohio General Assembly!**
