

2024 DUTY TO WARN REBATE APPLICATION

\$750 REBATE PER PLANT

This rebate is designed to reimburse a propane dealer for some expenses associated with mailing duty to warn information to their customers – residential and/or commercial. Marketers that choose to participate will purchase the Duty to Warn materials they need, have them shipped to their plants, and submit a receipt or proof of purchase to the OPGA. OPGA staff will then reimburse up to \$750 per plant (up to \$3000) to the marketer. Please note, the reimbursement amount will not exceed the amount spent by the propane dealer.

Rebate Preapproval No.
